MYRIN WOUTERSE

PROFILE:

I am a passionate developer, and building websites is more of a hobby for me then work. I am good at working in teams, and love to learn from my colleagues.

SKILLS:

HTML, CSS/SCSS, JavaScript, Typescript, React, Redux, Sequelize, Express, Bootstrap, Perseverance,

EXPERIENCE:

Front-end developer
-Telm (2019-2020)
Part time front-end developer for Telm. My main task was converting designs and concepts to html. I worked a few hours every week for Telm. I learned a lot about CSS and JavaScript, and it gave me a nice pre-view of the world of IT.

Full-stack Developer trainee
-Codaisseur (2020-2020)
11 week intensive full-stack development bootcamp. Learned lots of modern, popular technologies. Successfully graduated and made it trough 40% acceptance rate, and 65% graduation rate.

RECENT PROJECTS:

Tastebook
A social media for food-fanatics.
- frontend-repo
- backend-repo

CodeFolio
A platform for developer to share their projects.
- frontend-repo
- backend-repo

LANGUAGES:

- Dutch (native)
- English (fluent)

EDUCATION:

Havo
-Amersfoortse berg
graduated

Law
- Hbo Utrecht
One year (2018-2019)
